

# Training Opportunity: Healthy Beverages in Child Care

If you are a **Family Day Care** or **Group Family Day Care Providers** take advantage of this free training and earn credit!

- The Office of Children and Family Services-Division of Child Care Services (OCFS-DCCS) developed regulations for serving healthy beverages in child care.
- This training is available to help you and other providers learn the regulation and how to follow them in your child care program.
- The 45 minute training is available on demand.
- All you need to do is view the training presentation, answer the quiz questions and receive your certificate of training.
- Show your certificate of training to your licensor so they know you are aware of the regulation.
- You may need to install Adobe Flash Player; go to <http://get.adobe.com/flashplayer/>
