General Information

THE SUNY EDUCATIONAL INCENTIVE PROGRAM

Scholarship funding to participate in these trainings may be available through the Educational Incentive Program (EIP). For more information, visit www.tsg.suny.edu. You may also contact EIP at eip@tsg.suny.edu or 1-800-295-9616.

REGISTRATION AND PAYMENT

Advance registration and prepayment are **required** to enroll in a training and receive a certificate. Registrations may be taken over the phone with a credit card. Register early! Most classes have limited enrollment. We reserve the right to cancel a class due to low enrollment. You may call Rosemarie at (845) 473-4141 ext. 217 to register.

THE COUNCIL RESERVES THE RIGHT TO REFUSE LATE ARRIVALS AND/OR TO ADJUST TRAINING CERTIFICATES TO REFLECT LATE ARRIVAL. WE ALSO RESERVE THE RIGHT TO REQUIRE APPROPRIATE PARTICIPATION IN ALL TRAININGS.

CREDITS, REFUNDS, & CANCELLATIONS

No credits or refunds will be issued without at least 24 hours notice. If classes are cancelled by the Council due to low enrollment, refunds will be given.

PLEASE DO NOT BRING CHILDREN WITH YOU!

COUNCIL PARTNERSHIP

Partners of the Child Care Council receive a discount on most trainings. If you are not a partner and would like information, please call Nancy at (845) 473-4141 ext. 210.

"I think that the on-site trainings are great with my busy schedule. I can get the hours needed and at my convenience. They are very informative and I can also make sure that my staff gets the hours they need, so we all are in compliance." Debra, GFDC, Beacon

"Trainers are informative, engaging, personable, and easily approachable when staff ask questions or want to make comments about the subject being discussed." Ann, DCC, Rhinebeck

"We prefer to have our trainings on-site through the Council. The staff has an opportunity to build a relationship with the trainers and can benefit from that relationship better than taking an online class or video." Jennifer, DCC, Cold Spring

8 or more people: \$250.00

Distance Learning

Primary Caregiving and Continuity of Care

Training time: 1 hour

Topics: 1, 3, 4 **Fee:** \$15

Over the past decade, there has been a significant rise in the number of children in child care settings. This training will discuss some techniques to try to prevent some of these challenging behaviors.

The Wisdom of Play

For young children in particular, play is a fundamental mode of learning. This workshop will discuss the importance of play and what children learn from play.

Instead of listening to us tell you about the regulations, you get to show us how much you know in this Regulations Scavenger Hunt!

Child Abuse and Maltreatment Identification and Prevention

Training time: 2 hours

Topics: 6, 8 **Fee:** \$25

This workshop will cover necessary information on the subject of Child Abuse and Maltreatment and your role as a mandated reporter.

What Every Child Care Provider Should Know About Sudden Infant Death Syndrome

Training Time: 2 hours

Topics: 1, 2, 4, 7 **Fee:** \$25

Research on sudden unexpected infant death has led to both regulations and new recommendations about safe sleep. When you care for babies, understanding this information is important not only for your own practices, but so you can share the information with parents and other people in babies' lives.

Developing a Marketing Plan

Training Time: 2 hours

Topic: 5 **Fee:** \$25

Owning and operating a child care business can be a very challenging and rewarding career. Success in this field requires dedication, love, patience and business skills. This training will assist you in developing a marketing plan so that you can help your business grow and be successful.
