This event, specially geared for individuals working with **children ages birth- 5**, will:

- Help you better understand developmental expectations in areas such as speech, fine motor skills, and behavior.
- Provide you with strategies and tools you can implement immediately.

PEEP is a collaborative group comprised of individuals representing The Child Care Council of Dutchess and Putnam, Haldane Central School District, Putnam ARC, Putnam County Health Department: Early Intervention and Preschool Program, and Putnam Independent Living.
